

British Association for  
Community Child Health

## **ONE YEAR FREE MEMBERSHIP FOR SSASG (Staff Speciality & Associate Grade) PAEDIATRICIANS**

The British Association for Community Child Health has introduced a scheme offering free membership for one year for all SSASG Paediatricians

Please do take advantage of this great offer – see the reasons to join BACCH below.

### **Reasons to Join BACCH**

- Advocacy on behalf of Children everywhere
- Contributing to the development of Community Child Health in the UK
- Stimulation of research/evidence-based health care
- Networking – regional, national, international & online with website
- Training and CME events
- Quarterly *BACCH News* and monthly email update
- Substantially reduced subscription to *Child: Health & Development*, the official journal of BACCH
- Reduced rates for attending the BACCH Annual Scientific Meeting

For SSASSG there is also a SSASG page on the website where relevant information is posted, and BACCH has a SSASG representative whose role includes:

- Responding to queries about issues specific to SSASG
- Contributing articles to the *BACCH News* Newsletter to address current topics of interest and concern
- Providing a voice for SSASG members of BACCH

### **How to join BACCH**

- Use the online registration page at: [www.bacch.org.uk/membership/benefits.php](http://www.bacch.org.uk/membership/benefits.php)
- In order to take advantage of the free membership offer, when prompted you need to select 'Direct Debit' from the drop-down 'Payment type' list.
- Once the free membership period has elapsed, you will be charged twice yearly (June and December) for your subscription
- Please note: the free offer does not include *Child: Health & Development*
- If you have any queries, or would like a hard copy membership application form, contact the BACCH office (email: [bacch@rcpch.ac.uk](mailto:bacch@rcpch.ac.uk), tel: 020 7092 6084/2)
